Fairfield County Prosecutor Gregg Marx praised the investigative skills of Dave Kessler of the Fairfield County Prosecutor's Office and Mary Jo Fox from Fairfield County Job and Family Services. All of these funds resulted from criminal convictions obtained by Assistant Prosecutors working for the Fairfield County Prosecutor's Office. The amounts collected were restitution for fraudulent benefits that were criminally received. These funds were recovered and then turned over to Fairfield County Job and Family Services. Protecting the taxpayer's money is a priority of both organizations.
