Fairfield County to Celebrate National County Government Month

Lancaster, Ohio- Fairfield County will celebrate National County Government Month (NCGM) during the month of April to showcase how the county is building a safe and secure community by managing justice systems, bolstering economic opportunities, responding to natural disasters and facilitating emergency management response.

The theme for this year's celebration of NCGM is "Safe and Secure Counties."

The annual State of the County address will be held on Tuesday, April 19th and will highlight Fairfield County as a Safe and Secure place to live.

"Fairfield County is proud of the programs and services provided to our residents," said Board President Dave Levacy. "Our efforts combined with efforts of counties across the country do help keep American communities safe and secure. I encourage all county residents to take advantage of National County Government Month to learn more about the services the county provides for you and your loved ones."

Since 1991 the National Association of Counties (NACo) has encouraged counties across the country to raise public awareness and understanding about the roles and responsibilities of counties.

The county website contains a calendar of events for April 2016. Go to co.fairfield.oh.us to view the calendar.
