

# Mid-Ohio Regional Planning Commission Seeks Award Nominations from Central Ohio Community

**(Columbus – January 10, 2012)** The Mid-Ohio Regional Planning Commission (MORPC) is now accepting nominations for the Regional Leadership Award and the William C. Habig Collaborative Achievement Award. Nominations must be received by February 1, 2012.

The Regional Leadership Award recognizes individuals in a 12-county region (Delaware, Fairfield, Fayette, Franklin, Knox, Licking, Madison, Marion, Morrow, Pickaway, Ross and Union Counties) who make extraordinary efforts to ensure the future viability of central Ohio and its communities.

The William C. Habig Collaborative Achievement Award is MORPC's newest honor. The award was created in 2006 in honor of William C. Habig, who served as MORPC's executive director for 34 years. The award recognizes individuals who have achieved an effective effort and/or innovative collaborative in central Ohio. The honoree(s) will have demonstrated success in developing a specific initiative or entity that addressed key challenges facing the region.

In 2011, William Lhota, President & CEO, Central Ohio Transit Authority (COTA), received the Regional Leadership Award. The Columbus Region Logistics Council was the recipient of The William C. Habig Collaborative Achievement award.

Submissions will be reviewed by MORPC's officers and executive director with a final determination to be made by the MORPC Administrative Committee. Outstanding nominees and award recipients will be recognized at MORPC's State of the Region Luncheon April 26, 2012 at the Hyatt Regency in downtown Columbus.

The nomination form is available online at [www.morpc.org](http://www.morpc.org). For more information contact Amy Lowe at 614-233-4135 or e-mail [alowe@morpc.org](mailto:alowe@morpc.org).

---

**MORPC is a voluntary association of 44 local governments in central Ohio serving the region through planning, direct service, public policy information and innovative programming and intergovernmental coordinating services in the areas of transportation, land use, energy conservation, the environment and housing.**
