What is Big Brothers Big Sisters?

Big Brothers Big Sisters is not your typical organization. We help children realize their potential and build their futures. We nurture children and strengthen communities and we couldn't do it without the support of volunteers and donors. The children served by Big Brothers Big Sisters are among our community's most vulnerable, often living in a single-parent household, growing up in poverty, or coping with a parent who is incarcerated.

As the nation's oldest and largest donor and volunteer supported mentoring network, Big Brothers Big Sisters provides children facing adversity with strong and enduring, professionally supported one-to-one mentoring relationships that change lives for the better. Big Brothers Big Sisters model of youth mentoring has been proven to help children overcome adversity and move toward success in school and in life. Big Brothers Big Sisters mentoring can help children achieve: higher aspirations, greater confidence and better relationships; avoid risky behaviors; and achieve educational success.
