

What the Healthcare Law Means for Your Ohio Small Business

YOU'RE INVITED: FREE WEBINAR SERIES Join us for a free webinar that delves into what the healthcare law means for Ohio small businesses, and how workplace wellness programs can benefit small firms and their employees. We'll outline key federal and state provisions available to help small businesses understand how the healthcare law affects them, as well as the advantages of implementing wellness programs. Topics being discussed include:

- ❖ Small business tax credits (available to businesses and tax-exempt non-profits)
- ❖ Who's eligible for them and how to claim them
- ❖ Ohio marketplace update · Shared responsibility · Cost containment ·
- ❖ Workplace wellness programs and how they can benefit small business owners and their workers
- ❖ Tools and resources available for small businesses interested in learning more about the healthcare law and workplace wellness programs

A question and answer period will follow.
