FOR IMMEDIATE RELEASE

KEMBA Financial Credit Union to Open Pickerington and Gahanna Branches in Coming Months

July 7, 2014 -- KEMBA Financial Credit Union will open its ninth and tenth Central Ohio branches in late 2014 and early 2015.

The Credit Union's first Fairfield County location is set to open between Refugee and Diley Roads at 941 Hill Road North in Pickerington this fall.

"We've been eager to serve Fairfield County, and are pleased to offer Pickerington residents a banking alternative," said Gerald Guy, CEO. "We have a solid base of members currently living in Pickerington, plus we have seen steady growth in membership across the area, and want to make a commitment to this strong Central Ohio community," he added.

KEMBA's tenth branch will follow in Gahanna next spring at 110 North Hamilton Road between Havens Corners and Clark State Roads. The company's corporate office has been located in Gahanna since 2006, and employs more than 80 associates at that location, with nearly 200 company-wide.

"Gahanna is a natural fit for us. We've been in the community for a number of years, and are excited to bring our full suite of services to the area," Guy said. "Timing is perfect, as development of the Hamilton Road corridor continues and the city draws more and more residents."

KEMBA will open these branches as part of its goal to better serve Central Ohio residents, and employees of its more than 250 select employer groups across Central Ohio.

"It's important for us to be in the communities that support our membership," Guy added. "Adding these brick and mortar locations will provide an outlet for our members to conduct business close to their homes, while adding employment opportunities to support the local economy."

KEMBA offers a full range of services to its members, including savings, checking, home, student, and auto loans, business loans and services, and more.
