*Ohio's highways are essential to keeping and creating new jobs. With a mission to provide
easy movement of people and goods from place to place, the Ohio Department of
Transportation (ODOT) is responsible for maintaining one of the largest transportation
networks in the nation. Guided by ethical principles and accountability, ODOT works to
improve safety, enhance travel and advance economic development. As a \$2.8 billion
enterprise, the department wisely invests in its core services of snow and ice removal, annual
construction program and highway maintenance operations.*
