

ARE YOU LOOKING TO GROW? HAVE YOU BEEN IN BUSINESS FOR TWO YEARS? THIS IS THE PROGRAM FOR YOU.

Your Management Team, Inc. is launching The Entrepreneur Exchange, an educational program geared towards helping small businesses increase their revenue, expand their workforce, and provide a greater impact on their communities and local economies.

The curriculum focuses on the problems growth-oriented businesses commonly face including staffing challenges, establishing processes and best practices, sustainability, cash flow, and more.

The Entrepreneur Exchange is funded by the Small Business Administration's Scale Up America program and is provided at no cost to participants. The program is open to businesses at least 2 years old whose annual revenue is between \$150,000 – \$500,000. A 12 month commitment is required and only 30 companies will be selected to participate.

Classes start January 20, 2015 and applications are due by December 20, 2014.
