

Every day, the Fairfield County Board of Developmental Disabilities focuses on peoples' abilities and works to help people find their own personal genius. Many new opportunities are emerging throughout the state which are enabling more people with disabilities to find their place in the community. In this spirit, during DD Awareness Month in March, Fairfield DD has adopted the theme *Make The Connection: Include, Employ, Empower*. "During DD Awareness Month, and really all year long, we encourage the community to recognize that all of us have talents, abilities, and a personal genius we can offer to make Fairfield County a more vibrant community and a better place to live," said John Pekar, Superintendent of Fairfield DD.

As a capstone to DD Awareness Month, Fairfield DD invites you to attend

*The 7th annual Celebration of Possibilities
March 26th*

Crossroads Event Center in Lancaster

*Featured Entertainment: Actress, Comedienne and Motivational Speaker: Kathy Buckley
Dinner and Show: \$25.00*
