FOR IMMEDIATE RELEASE: March 16, 2020

Fairfield County EMA Cancels Emergency Weather Spotter Training

Lancaster, Ohio, March 16, 2020. The Fairfield County Emergency Management Agency wants to announce that the NWS Weather Spotter Training course that was scheduled for Wednesday, March 25, is being postponed. With the caution that is being recommended to minimize the spread of the COVID-19 Coronavirus, we feel that this precautionary measure is the best choice. We will send out communication to all the participants that have registered to make sure they are aware of the postponement. Once a future date is secured, then we will also communicate that information as soon as it is known.

Thank you for doing your part in helping slow the spread of the COVID-19. By limiting the meeting of large groups, we hope that we can save people from getting sick and passing along the virus.

Questions: Call the Fairfield County EMA **740-654-4357**
