Circus Night & Child Abuse Prevention Breakfast Cancelled

LANCASTER, Ohio (Friday, March 20, 2020) – The Child Abuse Awareness Prevention Month Breakfast scheduled in April will be cancelled based on the Governor’s order to cancel events with more than 100 people in attendance. This will help reduce the spread of the 2019 Novel Coronavirus (COVID-19).

Job and Family Services has also cancelled our annual Circus Night family event that is held in April. We, along with so many partners in our community, look forward to hosting this evening of family fun and will be looking to reschedule this event once we have greater knowledge and information on the scope of the coronavirus. We appreciate your understanding and will remain in contact as we determine a rescheduled date.

“Your health and safety remain our top priority,” said Aundrea Cordle, Fairfield County Job and Family Services Director. “We will continue to follow the recommendations sent out from our Governor’s office and our local Health Department in regard to holding large public gatherings.”

Feel free to reach out to us if you have any questions by calling Donna Stalter, public information specialist, at donna.stalter@jfs.ohio.gov or 740-215-7870.
