OhioMeansJobs and JFS Hosts Job Fair at OU-L

LANCASTER, Ohio (July 24, 2018) – Are you looking for a new or better job? Seeking a career change? If so, come join us at our Annual Job Fair Friday, September 28 from 9 a.m.-noon at Ohio University-Lancaster in the gymnasium.

Meet 90+ employers with various vacancies in Fairfield County and surrounding areas. These employers are from both the private and public sector with immediate openings in a wide range of fields for you to choose from.

“This is a great opportunity to connect and network,” said Aundrea Cordle, Fairfield County Job and Family Services Director. “This event is focused on matching the right candidates with vacant positions at local employers. Last year’s event welcomed more than 100 employers and 200 job seekers. Finding a new or better job can be life changing for a family.”

If you are not able to attend the job fair, the OhioMeansJobs Job Center is available to residents of Fairfield County and surrounding areas who are searching for a job. The Job Center is located on the third floor of the Fairfield County Job and Family Services building.
