Community Readies for First Annual Seeds of Change

[LANCASTER, OH] A group of Fairfield County community partners will present the First Annual **Seeds of Change** event from noon to 4 pm, Saturday, April 24, at Rising Park in Lancaster.

The celebration will coincide with the dedication of the Orchard Hill Arboretum. This rain-or-shine-event will feature twenty booths full of activities and information revolving around Earth Day and Arbor Day. Free activities for people of all ages will be available in a responsible, socially-distance manner.

Community partners involved in the event include Lancaster Parks and Recreation, Community Action Recycling Center, Fairfield County Board of DD, and the Fairfield County Commissioners.

Tree seedlings will be given away on a first-come, first-served basis. For more information, visit the Seeds of Change event page on Facebook at www.facebook.com/events.
