

Fairfield County - 2022 Property Sales

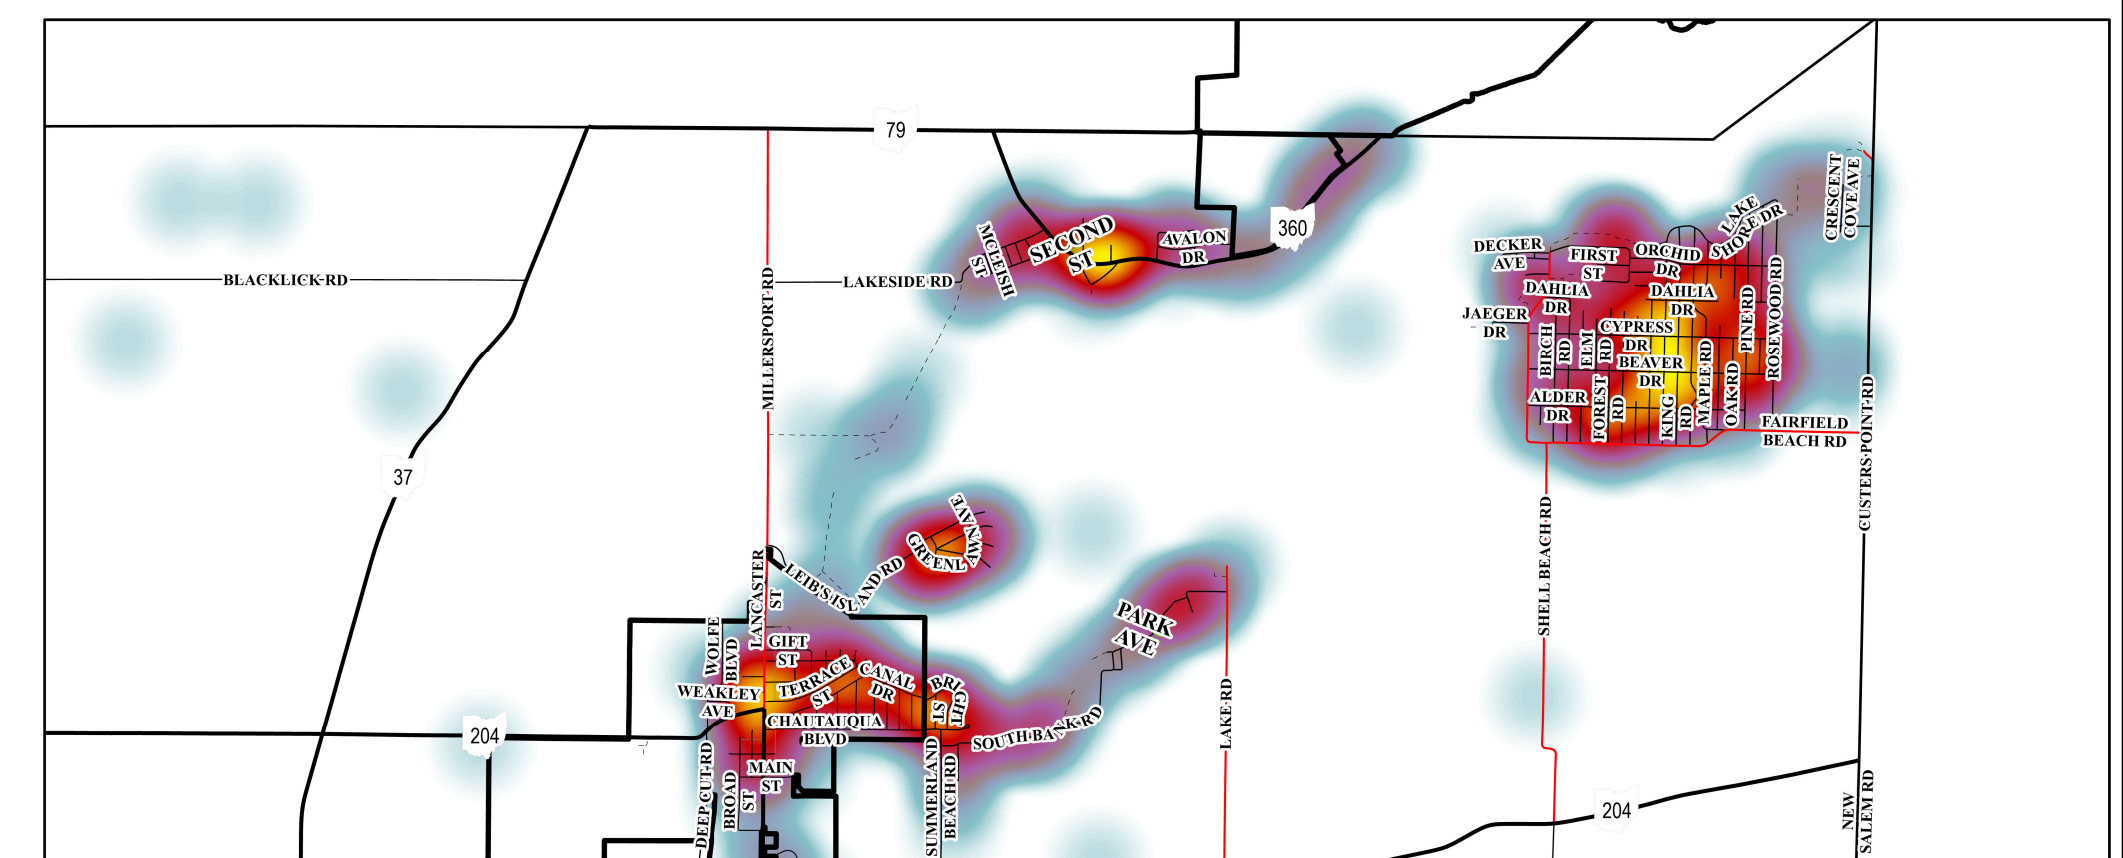

Lancaster

County Wide

Pickerington

Buckeye Lake

ArcGIS Pro has a 'Heat Map' feature that allows you to visualize areas with the most sales. The legend at the right shows that the areas on the map in yellow are the 'hot spots' in the county. In 2022 there were over 6,000 sales in Fairfield County. You can view home sales for Fairfield County at: <https://realestate.co.fairfield.oh.us/>. Click on 'Real Estate Search' and select 'Sales Search', or 'Sales List' at the top of the page for this information.
