Fairfield County Auditor Dr. Carri Brown Inducted into National Society of Leadership Success

Lancaster, Ohio – We are pleased to announce Dr. Carri L. Brown, Fairfield County Auditor, was recently inducted into the National Society of Leadership Success.

The NSLS is an organization that provides life-changing leadership programs that helps leaders and students achieve personal growth, career success, and empowers them to have a positive impact in their community.

There are more than 2 million members nationwide, and there are about 3,000 alumni or students of Ohio University who are members.

“Some of the leadership program materials received with the NSLS will be incorporated in our office’s fourth annual retreat in January of 2025, and we are excited about how we will be working together as a team to build new strategies for innovation in county government, connecting technology with people, for example,” stated Dr. Brown.
