Auditor Highlights Popular Annual Financial Report, A Concise Snapshot of Fairfield County Governmental Finances

Lancaster, Ohio – The Fairfield County Auditor is pleased to highlight the County’s Popular Annual Financial Report (PAFR), which is available online at <https://www.co.fairfield.oh.us/auditor/fc-financial-reports-ACFR-PAFR.html>. The PAFR provides residents with a concise, easy-to-read summary of the County’s financial activities and overall financial condition. Designed as a companion to the County’s Annual Comprehensive Financial Report, the PAFR presents key financial information in a format that is accessible to the public, using charts, graphics, and plain language instead of technical accounting terminology.

Dr. Carri Brown, Fairfield County Auditor, stated, “These reports aim to inform the public about the County’s financial condition without excessive detail or the use of technical terms. They are designed to make government finances more transparent and understandable for everyone.”

In addition to providing an overview of the County’s revenues, expenditures, and financial position, the report includes several items of community interest, such as the County’s largest taxpayers and top employers. Residents, businesses, and community stakeholders are encouraged to review the report to learn more about the financial health of Fairfield County.

You can read more about this current report and find additional Popular Annual Financial Reports at <https://www.co.fairfield.oh.us/auditor/fc-financial-reports-ACFR-PAFR.html>
