Fairfield County Auditor Updates Levy Estimator Tool for May 6th Election Levies

Lancaster, Ohio – The Fairfield County Auditor’s Office is pleased to announce the availability of an updated tax levy estimator tool on the Auditor’s Real Estate website. A tutorial on how to use the updated online tool is attached.

County Auditor Carri Brown stated, “If a property owner would like to estimate the amount of tax associated with millage that is on the ballot for approval, this tool can be helpful in that property owner’s evaluation of the issue. And if anyone has any questions, he or she can call our office.”

For Tuesday, May 6, 2025, primary election, all Fairfield County residents will see a Board of DD renewal levy issue. Fairfield County residents in Bloom Township, Greenfield Township, Hocking Township, and Walnut Local School District will see property tax ballot issues. Also, for Buckeye Lake Village, Southwest Licking Local School, and Teays Valley Local School District, there are property tax ballot issues, although these are for districts that are mainly in other counties.

General fact sheets about the issues are on the County Auditor’s website in addition to the levy estimator tool. Estimates calculated with the online tool are based on known information.

For more information or questions regarding the levy estimator tool, please contact the County Auditor’s Office at (740) 652-7020 or (740) 652-7030.
