Notice is hereby given that these delinquent vacant lands are subject to foreclosure proceedings pursuant to ORC Section 323.25, sections 323.65 to 323.79, or section 5721.18, or foreclosure and forfeiture proceedings as provided in section 5721.14 of the Revised Code unless the whole of the delinquent taxes, assessments, interest, and penalties are paid within twenty-eight days after the final publication of this notice. These proceedings generally lead to, but are not limited to, the sale of the parcel at auction.

Notice also is hereby given that a tax certificate may be offered for sale under ORC Section 5721.32 or 5721.33 or assigned to the Fairfield County Land Reutilization Corporation with respect to parcels shown on this list. If a tax certificate is purchased, the purchaser of the tax certificate acquires the state's or it's taxing district's first lien against the property, and an additional interest charge of up to eighteen per cent per annum shall be assessed against the parcel. After one year, the certificate holder may initiate foreclosure proceedings, forcing the parcel to auction in order to satisfy the lien plus court costs, fees and other charges.

No forfeiture and/or foreclosure proceedings will begin nor a tax certificate be offered for sale if the owner of the parcel has either discharged the lien by paying to the County Treasurer in cash the amount of delinquent taxes, assessments, penalties, interest, and charges charged against the property, OR has entered into and maintained a valid delinquent tax contract(\*) pursuant to ORC Section 323.31 to pay those amounts in installments.
