

FAIRFIELD COUNTY CAREER READINESS EXPO

The Fairfield 33 Development Alliance, in partnership with the Fairfield County Educational Service Center, is excited to present the second annual Fairfield County Career Readiness Expo. This Expo is a great opportunity to introduce local businesses to juniors and seniors who are entering the workforce immediately after high school. All juniors and seniors from the eight school districts in the county are invited. Parents will be encouraged to attend so that they can better understand local career options for their children. The Expo will be promoted by the schools and with billboards and social media. The event is **FREE** for vendors and participants.
