

FAIRFIELD COUNTY UTILITIES DEPARTMENT WATER OPERATOR-IN-TRAINING

The Fairfield County Utilities Department is accepting applications for a Water Operator-in-Training. This position is responsible for assisting in the performance of daily operations of groundwater filtration/ion exchange type water treatment facilities and/or water distribution systems. Other duties associated with this position include, but are not limited to: semiskilled work, utility line locating, meter reading and change outs, customer service requests, heavy manual labor work under varying weather conditions, and moving around or standing for long periods of time.

The mission of Fairfield County is to ensure high quality services at an exceptional value to taxpayers. Successful candidates will further the mission of the Fairfield County Commissioners and provide exemplary service to the public. The successful candidate must follow county policies and exhibit a professional demeanor at all times.

Candidates for this position must have a high school diploma or equivalent and a valid State of Ohio Class A CDL with tanker endorsement (or the ability to obtain within 1 year. The successful candidate will be required to obtain a Class I Water Operator license according to Ohio EPA Certification within 18 months. Excellent customer service and computer skills are required.

This is a full-time position with occasional on call hours. The starting rate of pay for this position is \$12.40 per hour, based on experience and qualifications and is offered full county benefits.

Applicants should go to <https://mss.co.fairfield.oh.us/ESS/> and complete an online application and attach a letter of interest and resume. All applications must be submitted online. NO phone calls please.
