RE: Victim Assistance Division Satisfaction Survey

Since your case is finished, we want to get your input on how the case was handled.

We hope that regardless of the outcome, your interactions with the victim assistance program were positive. Please consider the quality of the assistance you were offered, rather than your view of the outcome of the case. Also, please let us know how well the program informed you about services in Ohio that assist victims.

For your convenience, we are including a self-addressed, stamped envelope in anticipation of your response. **You may remain anonymous**, or you may provide your name and contact information.

Please help us learn from you so that we can provide meaningful assistance to others. Thank you for your help.

Sincerely,
