REQUEST FOR PROPOSALS  
FOR  
CONSTRUCTION INSPECTION SERVICES  
ENGINEERING SERVICES

The Village of Millersport (Village) desires to retain an outside firm (Consultant) to perform construction inspection and engineering services, on an as-needed basis for the period of the completion of the 2025 Data Center Development private/public improvements involving the Village. This on-call contract is necessary to ensure that water and wastewater systems and facilities are in accordance with the Villages construction standards. Qualified Consultants shall have until 12:00 PM, on Thursday June 4, 2026 to submit their Proposal to the Village Office, 2245 Refugee Street Millersport, OH, 43046. Submittals shall comply with the standards set forth in the Proposals for Construction Inspection and Engineering Services.

The Consultant shall perform construction inspection and engineering services on an on-call basis and will work under the direction and supervision of the Village. Inspection activities will cover both private /public improvements.

A project selection team will rank, and score all submitted Proposals to determine the most qualified Consultant. Scoring and ranking of Proposals will be based upon a pre-determined set of criteria outlined in the Request for Proposals for Construction Inspection and Engineering Services. The determination of the selected Consultant shall be final and not subject to appeal. The committee will negotiate an agreement with the top ranked firm. If an agreement cannot be reached, the committee will negotiate with the next ranked firm.
